MAZDA2

INTRODUCTION

FREEDOM STARTS NOW

Explore the Mazda2 range, tailored to enhance your driving lifestyle across three distinct grades. The 1.5L Active delivers agility and efficiency, ideal for city driving and bustling lifestyles, thanks to its SKYACTIV Technology. The 1.5L Dynamic adds a touch of luxury for the daily commuter, with features like a leather-wrapped steering wheel and cruise control for a smooth, relaxed drive. For those with a sporty flair, the 1.5L Individual combines stylish aesthetics with practical technology, featuring alloy wheels and premium leather seats for a distinctive look and feel. Each grade of the Mazda2 is designed to complement and elevate your driving experience, matching your unique lifestyle needs.

THE THRILL OF HARMONY

Experience the thrill of the Mazda2, where every component works in perfect harmony, inspired by 'Jinba-Ittai', the unity between a horse and rider. This compact car has taken a significant leap forward, offering sophisticated design and agile performance thanks to SKYACTIV Technology. Enjoy enhanced connectivity and top-tier safety features, all encapsulated in the elegantly flowing 'KODO – Soul of Motion' design that mirrors the dynamic beauty of an animal in motion. The Mazda2 is not just about getting you from point A to B, it's about capturing the imagination and the freedom of movement.

MAZDA2 PERFORMANCE

A MORE ENLIGHTENED DRIVE

The Mazda2 offers an unmatched driving experience—agile in the city, confident everywhere, with SKYACTIV Technology enhancing efficiency and a 1.5 litre engine that's powerful yet fuel-efficient. Available in both manual and automatic, it's designed for smooth, enjoyable journeys.

AUTOMATIC TRANSMISSION

The 6-speed SKYACTIV-Drive automatic transmission blends features of various transmissions for improved fuel economy and direct power delivery, offering quick and smooth shifts over a wide range.

MANUAL TRANSMISSION

The 6-speed SKYACTIV-MT manual transmission offers sportscar-like shifting with a simplified, lighter design that reduces friction and enhances fuel economy.

SKYACTIV-G 1.5L PETROL ENGINE

The SKYACTIV-G engine offers sporty performance with 85kW power and 148Nm torque, and exceptional fuel efficiency of 6L/100km, thanks to its innovative design and 6-speed automatic transmission.

BODY & CHASSIS

Advanced design and materials ensure the Mazda2's lightness and rigidity, with high-strength steel improving strength and collision performance. Optimized components enhance driver connectivity, combining a lightweight suspension, firmer bushings, and electric steering for agile handling, fuel efficiency, and stability.

AN INTERIOR DEFINED BY PURPOSE

The Mazda2 introduces the convenience of wireless charging, seamlessly integrating cutting-edge technology to keep your devices powered up without the clutter of cables. Positioned for easy access and designed to blend with the vehicle's refined interior, this feature ensures you stay connected on the go, enhancing your driving experience with effortless charging. * Available for individual grade.

MAZDA2 FEATURES

ALWAYS IN TOUCH WITH MZD CONNECT

In the Mazda2, stay connected effortlessly with MZD Connect. Link your smartphone for access to social media, radio, and podcasts, with texts read aloud. The central touchscreen and intuitive rotary dial keep you focused on the road, enhancing convenience. *Available from the Dynamic model.

REAR CAMERA - INDIVIDUAL ONLY

The Mazda2's rear camera park assist, complemented by precise rear sensors, simplifies the tightest parking maneuvers. Offering both a visual guide and audio alerts, it ensures not only convenience but peace of mind, assuring you of an effortless reversing experience.

HEAD-UP DISPLAY (HUD)

Mazda's Head-Up Display (HUD) shows important driving information like speed, next turn directions from the satellite navigation and safety alerts. It is positioned directly in front of the driver, which means it feeds you all the information without you needing to take your eyes off the road. You can adjust the height of the display to match your eyeline.
